

Advancing IV Therapy. Thursday 14 April 2016, ICO Conference Centre, London”

The conference will focus on the important issue of advancing IV therapy with a particular focus on implementing the new NICE Quality Standard, and on delivering IV therapy at home.

ReTweet if useful... IV therapy conference will focus on IV fluid therapy standards and home IV therapy <http://ctt.ec/teV7C+> @ivteam #ivteam

Click To Tweet

NICE recently stated that there is a clear need for guidance on IV fluid therapy and the new quality standard and guideline is expected to contribute to improvements in the following outcomes, Mortality or serious harm resulting from errors in IV fluid therapy.; Patient experience of hospital care; Patient safety incidents reported and Length of hospital stay.

A £250+VAT reduced rate is now available by quoting ref: hcuk250ivt when booking. (*Cannot be used in conjunction with any other offer. Full T&Cs available upon request.)
