Click To Tweet

Date: 20th June 2017

Time: 08:30 - 16:50

Location: Birmingham City Football Club

Through practical guidance, evidenced case studies and unique networking, you will share current practices and discuss the next steps to be taking at this NHS conference. Specific focus will be on:

Progressing your service: practical implementations for developing, resourcing, funding and managing capacity

Overcoming challenges: managing pressures and improving patient selection and approval processes

Managing complications: controlling line infections and preparing for adverse drug reactions and blocked lines

OPAT and IV Therapy services: insight into paediatric OPAT services and an established OPAT service model

IV Therapy Innovations: dedicated time with leading providers for OPAT and IV Therapy”
