

The IV Forum are pleased to announce a series of Webinars for 2021 and would like you to hold the first three dates in your diaries; January 13th, February 11th and March 16th all at 4.30pm to 6pm. The first webinar on 13th January you will be able to hear Maya Guerrero and Prof Heather Loveday describing vascular access challenges surrounding Covid 19, linking evidence to practice.

This webinar is kindly sponsored by Vygon.

When: Jan 13, 2021 04:30 PM London

Topic: IPS IV Special Interest Group Webinar

Passcode to join the webinar: 178325
