

BBraun has signed a contract with Premier Purchasing Partners. Under the agreement, which will go into effect on February 1, 2009, Premier’s members, a network of approximately 2,000 hospitals and 53,000 healthcare facilities, will have access to BBraun’s portfolio of intravenous therapy products and solutions. This will include large-volume, PCA and syringe pumps and sets, IV tubing and extension sets, drug delivery systems, nutritional products, pre-mixed drugs and safety IV catheters.

Caroll Neubauer, chairman and CEO of B Braun Medical, said: “Through relationships with organizations such as Premier’s as well as automation and expansion of our manufacturing facilities, we’ve proven that we have the capabilities to not only handle a large capacity of orders, but to do so in the most efficient way possible.”
