Vincent A. Forlenza, BD’s Chairman, Chief Executive Officer and President, said, “We are very excited to announce the consummation of the CareFusion acquisition, as it represents a major milestone in BD’s 118-year history. This acquisition significantly accelerates BD’s strategy and builds scale and depth in medication management and patient safety solutions. We look forward to the future with confidence as we become one of the largest global leaders in medical technology, and are better positioned to partner with healthcare providers around the world to provide safer, more economical and improved care.”
