

FAD report “Hospira, Inc. will initiate a voluntary recall of one lot of 1% Lidocaine HCl Injection, USP, 10mg/mL, 30 mL single dose, Preservative – Free to the user level due to a confirmed customer report of orange and black particulate within the solution and embedded within the glass vial. Hospira has identified the particulate as iron oxide. Risk factors associated with the particulate include the potential for particulate to be injected and/or a delay in therapy.”
